

Dear CWR PSEA Member,

Congratulations, I am pleased to announce that this year we are offering an opportunity to win \$400 and that you are eligible to be in the drawing through which the winners will be selected.

Your region's retired wing called CWR PSEA-Retired, successfully applied for a NEA-Retired Organizing Grant for this membership year. One of the goals we set in the grant was to increase the number of Pre-Retirement Life Memberships in PSEA-Retired. Our grant says that we will be providing two \$400 checks to anyone who registered for one, or more, of the pre-retirement workshops that we offered during 2023-2024 membership year.

To qualify for your name to be entered into the drawing, the following guidelines are stipulated:

- ▶ **Complete** a Pre-Retirement Life Membership Application
 - ▶ You have been given an application as part of today's handouts.
 - ▶ Applications are also available at our website <https://centralwestretired.psealocals.org/JoinPSEARetired.aspx>. Pre-retirement applications are at the bottom of this webpage.
- ▶ Mail the **completed application** to Liz Wilt, Treasurer, CWR PSEA-Retired at 193 Sugar Road, Lilly, PA 15938

Include with your application your **payment**, either the lump sum one-time payment or the first two of four installment payments.

Upon receipt of your application and payment, Liz will place your name in a drawing. She will mail your paperwork to PSEA.

In July, two names will be drawn. Each winner will receive a check for \$400. How recipients use this money is up to them, no strings attached.

An added incentive to join PSEA-Retired at this time is that life membership dues will be increasing next membership year, 2024-2025. \$15 for EA and \$9 for ESP members.

Sincerely,

Barb Lynch, President
Central Western Region PSEA-Retired
